## Licence

Licensor: InfoTrack PTY LTD ("InfoTrack")

Licensee:  Date:

This licence agreement sets out the terms and conditions agreed between InfoTrack in partnership with AUSSEARCH and the Licensee ("the User") upon which InfoTrack/ AUSSEARCH shall provide the User with access to the InfoTrack/ AUSSEARCH System specified in the InfoTrack Schedule of Services and Charges, for the purposes of enabling the User to obtain online searches and other services through an InfoTrack/ AUSSEARCH System ("the Service"). The User agrees to be bound by and observe these terms and conditions together with InfoTrack/ AUSSEARCH payment terms, Licence Agreement and operating procedures displayed on the screen or in the User Manual as supplied and amended by InfoTrack and as available on the InfoTrack/ AUSSEARCH website.

**Services**  
InfoTrack will provide the following services to the User during the Term of this Licence:

- Access to a InfoTrack System via AUSSEARCH and online internet connection for the purposes of enabling the User to order, receive, view, and print searches of such public databases and other search resources as InfoTrack/Aussearch may from time to time make available via that InfoTrack/Aussearch System
- Access to fee and billing information in relation to searches ordered by the User
- Access to online support materials
- InfoTrack's standard initial training set up services and telephone support to authorised personnel

**Charges**  
No charges apply until documents have been ordered. There are no joining fees and no ongoing administration fees. Standard Charges (including charges for each search service) are set out in a schedule provided to the User prior to commencement of this Agreement and are subject to variation from time to time, as published by InfoTrack and provided to the User directly or via access to the InfoTrack System. Any nonstandard charges which apply are set out in a schedule provided to the User prior to commencement of this Agreement and are subject to variation from time to time.
